NOV. 5

Learn to Curl Event

The Club hosted a learn to curl event on September 24 -25, 2022. We had 27 people that wanted to give curling a shot or got back out onto the ice after a hiatus.

So you will see some new faces at the club this year.

A big thank you to our coaches and helpers that made the weekend a success and I saw a few coaches helping during the practice week as well. We couldn't have pulled off our Event without you: Shirley Court, Shaun Garvey, Barb Hundley, Wayne Muzykowski, Candyce Muzykowski, Roger Pagani, Norm Siren, Brian Stanton, Ian Tinker, and Lorna Downey.

A shout out to Brian Stanton's wife Mae, for the yummy baked goods that were enjoyed throughout the learn to curl event and during practice week.

Many Hands make Light Work

A small team of volunteers helped to paint the exit doors on the ice and in the lobby. Thanks to Ron Beaulieu, Ted Hall, Marlene Hall, Don MacLeod, and Kevin Morris.

Len Mimeault cleaned up the parking lot before the Learn to Curl Event.

Our Ice technicians have been hard at work getting the ice ready for play. Thanks to Chris Header, Dwayne Uyede, Jim Schutz, and Mike Dunn.

And something you might not be aware of, thanks to Bill Hunter and Chris Header for installing and maintaining our in-ice temperature sensors.

If you see any of these folks make sure you thank them!!

And if you are interested in helping out, don't be shy, volunteer to help out.

Another Lap Around the Sun Wishing Norm Siren a great year.

He celebrated a milestone birthday in September in style, sporting the latest in Birthday fashion.

Cheers to a great year Norm!

If you know someone that is celebrating a birthday or anniversary and want to share with the Club,
Just send me a picture and let me know.

Fall into Curling

Thanks to Barb Bombardir and Marlene Hall for bringing in the fall spirit to welcome curlers back to their winter home.
