

# Powell River CURLING CLUB

Nov 2022

Issue 2022-4

Thank you to all our members that attended our recent AGM. These annual meetings are our opportunity to update our membership on the ongoing business of the Club, to recognize the many contributions of our volunteers, and to elect your Board that will carry on with the process of continuous improvement.

A special thanks to outgoing Board member, Marlene Hall. Marlene has been an integral member of our Board for many years and has been instrumental in managing the ongoing maintenance of our facility and grounds, with organizing volunteers to work on routine and special projects and with rolling her sleeves up when the need arose. Her energy and hard work are imprinted in every corner of our Club.

And welcome to our new Board members, Barb Hundley and John McLean. We are looking forward to working with you and the new ideas and commitment you will bring to our team!

To get your tickets, go to: <https://www.rafflebox.ca/raffle/curl-bc-2>

Good Luck/Bonne chance!

### Kudos

The dynamic duo of Bill Hunter and Chris Header for reconnecting the downspouts after the siding was complete and for installing. Bill for working on everything electrical at the club, digging the drainage ditch along the front of the building and for getting the Powell River Curling Sign back up on the building. Don Mitchinson for your talent with duct tape; in a pinch he is the *man for the job!*

**If you see any of these folks make sure you thank them!!  
And if you are interested in helping out, don't be shy, volunteer to help out.**
