School Curling Programs

The Curling Club offers School Curling Programs as a great way to introduce the sport of curling to the younger generations. For the past couple of years the program either didn't run or had limited participation. This year Brooks High School, Camber College (International Students) and Assumption School had sessions scheduled in January, February and March. Thanks to the Volunteers who have come out or are scheduled to come out in the next few weeks: Mike and Chris Dunn, Barb Hundley, Len Mimeault, John McLean, Joline Palmquist, Petra Ebner, Judy Steffens, Wayne Muzylowski, Glenn Gibbs and Shaun Garvey.

Special Guest Coach - Michelle Dunn, she came out with the Assumption school the same day as the Mixed spiel. She started curling with the Assumption school program a number of years ago and was giving tips and coaching. She represented the BC Ladies team at the Canadian Scotties in 2019.

Fun fact, a former participant of our School Curling Program, an international student from Korea, was first introduced to curling in Powell River in Grade 5, is now in university and is curling for South Korea. If you are interested in helping to coach/mentor these youth, please get in touch with Roger Pagani at (604) 414-5786.

Boxing Day Family and Friends Curling Fun

Thanks to Chris and Mike Dunn for once again organizing a little fun at the rink during the holidays.

A great way to burn off those extra calories!

Thanks to the Generosity of our membership, in December, the Curling Club was able to donate \$820 to FreshCo for the Food Pallet Challenge for the Powell River Foodbank.
