April 2023

Issue 2023-5

## End of Season - April 2023

*President's  
Message*

**A note from  
Shaun Garvey**

Fellow members, another curling season is now behind us. We have a lot to be thankful for and proud of.

We held three (3) successful full-scale Bonspiels this past year.

While it took the entire season, we now have our new dehumidifier installed and operating which should lead to better quality, more consistent ice AND a more comfortable ambient temperature for curling.

We welcomed new Board members who have already embraced their roles and are contributing in tangible ways to the ongoing success of our Club. We also welcomed several new curlers, some of which came to us directly out of our Learn To Curl events and our presence at last year's Blackberry Festival.

Over the offseason and coming season, we will continue to make small capital improvements to the facility, work towards attracting more sponsors and advertisers AND new curlers in every age group to drive Club revenues.

We also look forward to hosting our inaugural Charity Golf Tournament in September, which we hope will be very well attended and financially rewarding for our benefactor.

**We hope to see you around the community this summer and next season.**
