January 2024

Issue 2024-3

## Junior Program

The Club’s revamped Junior Program started in November 2023 and finishes at the beginning of March. Thanks goes to coaches Chayla Bennett and Linden Slack for their organization of the program which hosts 22 junior curlers between the ages of 8 and 15. Thursday afternoons the youth watch an instructional video and then head onto the ice to practice a new skill and have some fun.

Barb Hundley organizes all the volunteers that come out to help during the sessions. A big thank you to those members who come out to mentor these enthusiastic new curlers.

## Rock Delivery

The stone needs to be released before it reaches the hog line at the delivering end. This applies for both slide or stick delivery of stones. If a team declares its own violation of releasing after the hog line, the non-offending team shall remove the stone just delivered from play and replace all affected stones as close as possible to their original positions. The non-offending team may also advise when a violation has occurred.

### When is it the point of no return for delivering a rock?

Well, if a player wishes to recommence the delivery of their rock, the player may do so providing the stone has not reached the nearer tee line, once over the tee line the rock is considered delivered.

Once again the club was open for family fun play and many thanks to Chris Hearder for taking care of the ice, Shirley Court for opening up the club and Barb Hundley for providing coaching to some of the new curlers.

**Volunteers** are what help to keep our club and events running smoothly, so hats off to the folks that have stepped up to help make our club and events extra special:

Many thanks to Barb Bombardir for organizing the dinner, food truck and décor for the Wild West Spiel along with helpers, Dawn Adaszynski, Ina Shoemaker, and Marlene Hall. Shirley Court for organizing the prize table, Rhonda Raimondo and Marian DeVita for Measuring Arms and Ian Tinker for photographing the event.

Thanks to John McLean, Bill Hunter and Chris Hearder for their response over the Christmas Break following the Power Outage: making sure we had a rink to return to in the New Year.
