Powell River  
Independently owned and operated

## Royal LePage Parallel Bonspiel Edition

We had 16 men's teams and eight women's teams battle it out on the ice. One participant, Lyle Sieg, a World Champion curler, formerly from Powell River, travelled in from Washington. Read more about Lyle in an article in the [Powell River Peak from 2015](#).

We also welcomed two junior teams from Nanaimo .

It was a busy weekend with the first of three draws starting at 4:00 pm on Friday. Six draws on Saturday and the Finals were held Sunday morning and afternoon.

Thanks to Royal LePage Powell River for sponsoring our event, it is greatly appreciated.

As well, Thanks to Rachelle Ford for sponsoring our munchies on Friday night.

Thanks also, to all that came out especially those that had to travel far to get here, you all contributed to a fun filled weekend.

Volunteers are needed to help with the planning and organizing of the Evolugen Mixed Bonspiel scheduled for February 6th-8th, 2026.

To ensure a smooth and fun weekend, we need a team to help with welcome/registration desk, decorating, kitchen and many more exciting tasks.

If you can lend a hand, email [prcc@telus.net](mailto:prcc@telus.net), to let us know your interest or speak with Roger Pagani.
